- Patron must have clean¹ 60-day checkout history.
- Patron must be willing to provide a reference and review account information with staff prior to checkout.
- Hotspots must be checked out and turned-in in person (leaving hotspots in book drop is unacceptable and will result in restriction of future hotspot checkouts).
- Hotspot checkouts are for three days only (patrons checking hotspots out on Friday can turn hotspots in by appointment between 8:30 AM and 3:30 PM on Monday).
- Failure to return hotspots on time may result in fines and/or restricted use of library materials, including public access computers.

Internet Usage Guidelines

- Displaying, viewing, storing, printing, or sending any harassing material.
- Participating in any illegal activities.
- Using a library card or credentials that belong to someone else in order to use a library computer.

Patrons who fail to abide by these guidelines may be restricted from internet access and/or use of the Library's computer, internet, and technological resources for a minimum of 30 days. General library privileges may be suspended depending on the severity of the violation.

I, _____, agree to the WiFi Hotspot and Internet Usage guidelines set forth by the M&ABJ BRistow Public Library. I understand that failure to comply with these guidelines may result in fines and/or restricted use of library materials, including public access computers.

¹ Clean checkout history indicates patrons have checked out materials in the last 60 days and returned materials in a timely manner.
